

## FIERCE BATTLE

Reported to be Raging Near  
Tie Pass Today.

## JAPAN CRIES ON TO HARBIN

Russian Army Retreating Under  
Difficulty—Anxiety Is Felt In  
Czar's Domains.

Rumor reached St. Petersburg  
today that a fierce battle is now on  
20 miles north of Tie Pass.  
"On to Harbin" is the cry in  
Japan today.  
The Russian army is retreating  
under difficulties. Japs are pound-  
ing the rear guard.  
Anxiety felt in St. Petersburg  
over fate of Linevitch's battered  
hosts.  
No pause in Jap advance is prob-  
able for some time.  
Downfall of Kuropatkin.

St. Petersburg, March 18.—The  
rumor has reached here that a fierce bat-  
tle between Gen. Linevitch's and the  
Japanese flanking armies is proceed-  
ing twenty miles north of Tie Pass.  
There is no official news on the sub-  
ject.

"ON TO HARBIN," THE CRY.  
Tokyo, March 18.—The talk among  
the Japanese now is that success  
against the Russians must be pushed  
to the utmost possibilities.

"On to Harbin," is the popular cry  
everywhere. The Japanese are firmly  
convinced that Harbin, which has been  
used as a Russian base of operations,  
must be captured. Whether the Jap-  
anese should attempt to penetrate fur-  
ther into the territory once dominated  
by Russia is a question that will not  
be answered until Harbin is taken. If  
popular sentiment is allowed to gov-  
ern there is little doubt that the order  
to push on to Harbin will be given as  
soon as the present army which the  
Japanese have been pursuing for so  
many days is completely disposed of.  
Little is known here, beyond the  
facts of the general withdrawal of the  
Russians and that pursuit is still con-  
tinuing. There have been no definite  
reports even as to the number of pris-  
oners taken in the later movements or  
the amount of supplies captured. Some  
estimate the number of prisoners as  
high as 20,000.

Nothing is known either as to the  
present objective of the retreating  
Russian army. Harbin is regarded as  
the natural base, but in view of the  
difficulties the enemy must overcome  
to reach it there is speculation as to  
whether General Linevitch will not try  
to hold Kingling.

## FLEES IN DISORDER

Russian Army Retreating Under Diffi-  
culties—Japs Surround the Rear  
Guard—Czar Anxious.

St. Petersburg, March 18.—A dis-  
patch from Chenguifu reports Russian  
rear guard in constant action. Soldiers  
wounded in the last fight to the num-  
ber of 1,700 were dispatched north  
from Tie pass on March 15. The  
morning of March 16 the Japanese  
made their principal attack on the  
Russian left and in the evening at-  
tacked the right also. It is reported  
that several columns of Japanese in-  
fantry, with cavalry, are moving north  
a considerable distance west of the  
railroad with the intention of cutting  
the Russians from their base. It  
seems evident that the advance move-  
ment of the Japanese has continued  
for a long time, and perhaps uninter-  
ruptedly. The Russians, though fatigued  
with three weeks of constant  
fighting, are offering a stubborn re-  
sistance in their withdrawal, though  
not attempting to hold a position  
which is naturally open to a turning  
movement.

Anxiety is felt here for the fate  
of the army in Manchuria under its  
new commander, no news of the latest  
military developments having been re-  
ceived here. The only dispatches from  
the front are the brief announcements  
that General Linevitch had assumed  
command and that General Kuropat-  
kin was departing for St. Petersburg,  
which disposes of a rumor that the  
latter had committed suicide. In cor-  
respondents' opinion, no pause in the  
Japanese advance is probable for  
some time. The Russians are losing  
heavily in the rear-guard actions and  
Japanese columns are reported to be  
pushing northward as fast as possible  
to complete the envelopment of the  
Russian forces. General Linevitch,

however, will have a considerable ac-  
cession of fresh troops in a day or  
two, the Fourth European corps being  
now at Harbin and departing south-  
ward. Military officials here declare  
that there are now 268,000 men at  
General Linevitch's disposal in Man-  
churia, and it is believed that this  
force will be sufficient to cause the  
Japanese to exercise greater caution  
in their pursuit.

Although General Kuropatkin's  
downfall was inevitable from a mili-  
tary standpoint, nevertheless it has  
aroused sympathy in circles familiar  
with the long campaign that has been  
waged against him by the general  
staff. General Sakharoff was his open  
enemy and General Dragomiroff his  
most severe critic; and many of his  
own subordinates were jealous and  
grudgingly obedient. Many epigrams  
about General Kuropatkin's short-  
comings are being attributed to Gen-  
eral Dragomiroff, and the superces-  
sion of the former at such a critical  
moment is directly attributed to Drag-  
omiroff's advice, Emperor Nicholas  
now giving ear to the veteran strat-  
egist in military matters.

General Linevitch is distinctly a  
litter officer, with a long record as a  
fighter. He is almost as cordially dis-  
liked by the general staff as is his  
predecessor, and there also is bad  
blood between Kuropatkin and Line-  
vitch; dating from a personal quarrel  
in the days when Kuropatkin was  
commander of the trans-Baikal army,  
which led Linevitch to demand satis-  
faction. Kuropatkin assumed the po-  
sition that he could not fight an of-  
ficer of inferior rank. The succession  
of this officer will naturally increase  
General Kuropatkin's discomfiture.

Prince Hilkoff, who will leave St.  
Petersburg soon to prepare the Siber-  
ian railroad for forwarding new levies  
which have been determined on, said  
that there had been no break-down as  
yet, and that he hoped as soon as na-  
vigation opened it would be possible to  
transport one-fourth of the outgoing  
soldiers by the rivers and relieve the  
railroad to that extent.

The waterworks case, styled Chas.

The plaintiff had submitted certain  
interrogatories asking that the de-  
fendant, Dennison, Pryor & Co., and  
Seasongood, Meyer & Co., answer the  
same. Answers were returned, but  
plaintiff moved the court to require  
the defendants to answer these inter-  
rogatories more specifically in several  
respects, among which were to state  
fully the proceedings that culminated  
in the sale of the bonds, and to set  
forth a copy of the written contract  
of any such there was, and the differ-  
ent steps taken. The court sustained  
the motion.

Plaintiff's counsel announced that  
it might be necessary to take deposi-  
tions before the case could be finally  
submitted on its merits, and if so, the  
same could not be finally submitted  
on next Thursday, to which date the  
case has been adjourned, in order to  
give the defendants time to answer  
the interrogatories fully.

## MR. HULL EXPLAINS

Des Moines, Ia., March 18.—Con-  
gressman J. A. T. Hull, chairman of  
the military affairs committee, claims  
that he has been misquoted in an al-  
leged interview which has appeared in  
the eastern press. It was asserted  
that he said the Japanese were after  
the Philippine Islands, and would de-  
mand that the islands be turned over  
to Japan. What Mr. Hull did say was  
that this country needed a big navy to  
protect its island possessions, and  
that if Japan was inclined to the idea  
the Japanese might in the future de-  
sire to gain possession of the Philip-  
pines. His idea was of a speculative  
nature as to what the future would  
produce. So far as the purchase of the  
islands was concerned, he had never  
referred to the subject.

Madrid, March 18.—Don Emilio Do-  
yeda, Spanish minister at Washington,  
has been appointed under secretary of  
foreign affairs. Senor Cologan, minis-  
ter to Tangiers, will be transferred to

## BOOM FOR TAFT

Ex-Representative Thayer Thinks Ohio  
Man Will be Next Republican  
Nominee for President.

Washington, March 18.—John R.  
Thayer of Massachusetts, a Democrat  
who retired from Congress on March  
4, in an interview today predicts the

SECRETARY OF WAR TAFT.  
nomination to the presidency in 1908  
of Wm. H. Taft, of Ohio, secretary of  
war, and declares that no United  
States Senator need aspire because of  
unpopularity of the body to which he  
belongs. He says the popular view now  
is that the Senate is thwarting the  
plans of the President, that Mr. Roose-  
velt is the great, popular figure today  
and the people stand for what he  
wants. He says he believes Roosevelt  
is for him, and Roosevelt promises to  
be a big factor in the next election as  
the nominee must have the approval of  
Mr. Roosevelt.

## OHIO BREVITIES

Escaped From Jail.

Lima, O., March 18.—Conney Pear-  
son, arrested on a charge of damaging  
several thousand dollars' worth of ma-  
chinery in his search for valuable  
junk, and Arthur Swayne, held for  
delivery to Fort Wayne for house bur-  
glary, have escaped from jail here. In

was captured two hours later. Swayne  
is still at large.

Woman Murdered.

Cincinnati, O., March 18.—The body  
of a woman, evidently the victim of a  
murder, was found in Bloody Run  
creek in North Avondale, a suburb of  
this city. A knife wound over the  
heart was the evident cause of death.  
The corpse had probably been in the  
water for several weeks, and decom-  
position was so far advanced as to  
render identification impossible.

Bank Quits.

Marietta, O., March 18.—The Com-  
mercial bank of Marietta, this coun-  
ty, a state institution, closed its doors.  
It was heavily involved in the failure  
of the Commercial bank of Cambridge.  
Depositors will be paid in full, the  
stockholders being the only losers. A  
receiver will be asked for. No state-  
ment of figures has been given out.

Suicides on Sweetheart's Porch.

Van Wert, O., March 18.—Richard  
E. Feigert, 22, a shoe clerk, committed  
suicide on the veranda of the home of  
his sweetheart, Miss Eva Angewine.  
Feigert shot himself in the head. Miss  
Angewine is prostrated, and is at a  
loss to know why he committed the  
rash act. They had been keeping  
company for over two years.

Octogenarian Ends His Life.

Delphos, O., March 18.—Jacob  
Voght, living near Mantana, Putnam  
county, seven miles north of Delphos,  
on the Clover Leaf railroad, suicided  
by hanging himself in a shed near his  
home. Voght was 85 years old and  
only a few years ago had celebrated  
his golden wedding. He was despon-  
dent over ill health.

Guilty of Manslaughter.

Chillicothe, O., March 18.—A jury  
found Mrs. Gundelsperger guilty of  
manslaughter in killing her husband  
near Greenfield, this county, July 2,  
1896. Alex Gundelsperger was found  
dead in a lane near the house by his  
wife with his head mashed. She  
claimed he was called out in the night  
and did not return.

Urbana Gets a Park.

Springfield, O., March 18.—J. Q. A.  
Ward, a senator of New York, has  
presented the city of Urbana with a  
beautiful oak grove of 15 acres on the  
outskirts of the city for a public park.  
The gift is in commemoration of the  
one hundredth anniversary of the  
county, which will be celebrated next  
summer.

Fatal Collision.

Alliance, O., March 18.—Lake Erie  
Alliance of Wheeling freight train  
collided with a Pennsylvania passen-  
ger train at crossing of the two lines  
at Mineral. Mail Agent Miller was  
fatally and locomotive driver Rice of  
the passenger train was seriously injured.

Toledo, O., March 18.—The Toledo  
Exhibition company was organized  
here for the purpose of taking over  
the Toledo franchise of the American  
association. The Toledo team and  
property of the company is incorpo-  
rated with a capital of \$50,000.

## NOTABLE EVENT IN NEW YORK CITY

BANQUET OF FRIENDLY SONS OF  
ST. PATRICK ATTENDED BY  
THE PRESIDENT.

Sons of Revolution Also Entertain Mr.  
Roosevelt, Who Pleads for a  
Greater Navy.

New York, March 18.—Six hundred  
members of the Friendly Sons of St.  
Patrick attended the 121st annual din-  
ner of the society at Delmonico's Fri-  
day night. President Roosevelt was  
the guest of honor, and was accorded  
a flattering ovation when he arose to  
address the brilliant assemblage. The  
president in the course of his remarks  
referred to the part played by the  
sons of Erin in the settlement and de-  
velopment of the great country which  
afterward became the United States.  
He alluded to the services of Commo-  
dore Jack Barry, General Montgomery,  
Sullivan and Mad Anthony  
Wayne, in the revolutionary and In-  
dian wars, and added: "Nor must we  
forget that of this same stock there  
was a boy during the days of the revo-  
lution who afterwards became the  
chief American general of his time,  
and as president one of the public  
men who left his impress most deeply  
upon our nation, old Andrew Jackson,  
the victor of New Orleans." The  
deeds of the men of Celtic origin and  
descent in the civil war also were  
dwelt upon, the president mentioning  
General Phil Sheridan as one of the  
three or four great generals who led  
the northern army.

The president concluded as follows:  
"The people who have come to this  
country from Ireland have contributed  
to the stock of our common citizen-  
ship qualities which are essential to  
the welfare of every great nation.  
They are a masterful race, of rugged  
character—a race, the qualities of  
whose womanhood have become pro-  
verbial, while their men have the el-  
emental, the indispensable, virtues of  
working hard in time of peace and  
fighting hard in time of war. We  
Americans take a just pride in the de-  
velopment of our great universities,  
and I hope that an earnest effort will  
be made to endow chairs in American  
universities for the study of Celtic  
literature and for research in Celtic  
antiquities. But, after all, in speaking  
to you or any other body of my fellow-  
citizens, no matter from what Old  
World country they themselves or  
their forefathers may have come, the  
great thing to remember is that we  
are all of us Americans."

President Roosevelt also attended  
the wedding of his niece, Miss Eleanor  
Roosevelt, to her cousin, Franklin De-  
lano Roosevelt, son of Mrs. James  
Roosevelt. The president led the  
bride to the altar and gave her away.  
Later he made an address at a ban-  
quet given by the Sons of the Ameri-  
can Revolution. President Roosevelt  
dwelt particularly upon increasing the  
powers of the navy. He said: "We  
rank as one of the great naval powers  
of the earth, and we rank as a power  
for peace. The navy is the arm of all  
others upon which this nation must  
depend to defend it against all foreign  
aggressors. I want to increase the  
number of our battleships because  
they are preventatives of war with  
other nations."

Observed Abroad.

London, March 18.—St. Patrick's  
day was celebrated in Ireland and ob-  
served in England much as usual. The  
Irish flag was in evidence generally,  
while Irishmen and Englishmen in  
London fraternized and sported  
bunches of real or imitation sham-  
rock, in which the street vendors did  
a rushing business throughout the  
day. In Ireland of course celebrations  
were general. In Dublin and other  
cities, young and old, rich and poor,  
wore the green, and at night the pri-  
vate and public social functions in the  
capital were even more notable than  
usual, especially brilliant being the  
state ball at the castle, which was at-  
tended by leading Irish families from  
all over the island. Queen Alexandra  
recognized the day by presenting  
springs of shamrock to the entire  
Irish guards stationed at Chelsea bar-  
racks. The weather was fine in Ire-  
land and miserable in England.

Ex-Gov. Gray Died Today.

Coldwater, Mich., March 18.—Ex-Gov-  
ernor Cyrus Gray Lane died at his  
home here at 8 o'clock this morning.  
He was born at Windsor, O., July 2,  
1818. In 1886 he was elected governor  
and re-elected in 1888. He was a far-  
mer and was prominent in Grange  
work.

## OIL MEN

Don't Want Commissioner Garfield to  
Conduct the Investigation of the  
Standard in Kansas.

Independence, Kas., March 18.—  
What is probably the biggest mass  
meeting of oil producers ever held is  
in session here today, under the aus-  
pices of the Kansas Oil Producers' as-

sociation. Three thousand are pres-  
ent. Among the speakers are Ida  
Tarbell, Frank S. Monnett, ex-Attor-  
ney General of Ohio; Governor  
Hough, Lieutenant Governor Hanna,  
and Congressman Campbell. A stann-  
ing resolution was introduced asking  
President Roosevelt to direct that the  
forthcoming investigation of the  
Standard Oil company be open and pro-  
tecting against Commissioner Gar-  
field making it. His beef trust report  
does not suit the independent oil  
men.

CONCESSION MADE BY CZAR.

Warsaw, March 18.—It is today re-  
ported from St. Petersburg that the  
government intends making conces-  
sions to the demand for teaching the  
Polish language in Poland and will  
print such instruction in private  
schools so on.

Sympathy For Kuropatkin.

London, March 18.—The greatest  
sympathy is expressed by the British  
press and public for General Kuropat-  
kin, and there is strong criticism  
for the curt manner of his dismissal,  
without a word of thanks for his ser-  
vices. General Kuropatkin is consid-  
ered to have been to a large extent a  
victim throughout the campaign of  
the interference of former Viceroy Al-  
exieff and the grand dual party, and  
to never have had a free hand or  
proper support in men and measures.  
Little or nothing is hoped for from  
the appointment of General Linevitch,  
whose task is admitted to be almost  
superhuman.

## SECRETARY HAY ILL

So Weak That He Had to be Support-  
ed While Lying on Board Vessel.  
Mr. Hay Off for Naples.

New York, March 18.—John Hay, sec-  
retary of state, seemed to be a very  
sick man when he started for Naples  
this morning. At the White Star dock  
to get to the gang plank leading to the  
steamer it was necessary to go up  
three short flights of stairs, in the  
pier building. The secretary was very  
feeble and had to be supported by  
members of his party. When he re-  
ached the second landing he became so  
exhausted he clutched the rails to  
keep from falling. When the next land-  
ing was reached, Mr. Hay had a brief  
fainting spell. Ambassador White and  
son formed the secretary. After a few  
moments' wait the party started to  
walk along the dock toward the gang  
plank. Only a little distance had been  
covered when Mr. Hay collapsed again.  
He was taken the rest of the way in  
a wheel chair.

## CONSUMPTION

Causes the Death of Mrs. Clem E.  
Richter of Bowling Green  
Township.

Mrs. Daisy Richter, wife of Clem E.  
Richter, a popular woman of Linville,  
Bowling Green township, died Satur-  
day morning, after a year's illness  
from consumption. Mrs. Richter was  
a daughter of Mr. and Mrs. James H.  
Hupp of Franklin township, where  
she was born 24 years ago.

Besides her parents the dead woman  
is survived by her husband and one  
sister, Miss Lulu Hupp of Franklin  
township. The husband of the dead  
woman is a son of Mr. and Mrs.  
Clem T. Richter of 100 South Fourth  
street.

The funeral will be held at the  
Fairmount church. The party leaving  
the house at 1 o'clock, sun time, Rev.  
Ruffner will conduct the services.

MRS. MARTHA EMERSON.

Mrs. Martha Emerson, widow of the  
late Mr. Langdon Emerson, died at the  
home of her daughter at Alexandria,  
Friday evening at 8 o'clock. The fu-  
neral will take place at the M. E.  
church at Concord, O., Sunday morn-  
ing at 11 o'clock.

MRS. LURA BUCHANAN.

Mrs. Lura Buchanan, aged 24, wife  
of Carey A. Buchanan of Tenth street,  
died at 1:30 o'clock Friday afternoon  
after a brief illness from inflammation  
of the stomach. Her death was very  
sudden, but few of her relatives know-  
ing that she was ill. Mrs. Buchanan  
was a daughter of B. T. Smith of Har-  
ford, where she was born. She is sur-  
vived by her husband and two chil-  
dren, Ida, aged 4 years, and Perry,

#### An Ada Lady's Fortunate Escape From Helplessness --Now Feels Like Working All Day Long.

Ada, O., May 7, 1903.

The Jamaica Remedy Co., Findlay, O. Gentlemen—I suffered for years with rheumatism, neuralgia and threatening paralysis, and was unable to do my own work most of the time. I received no special benefit from almost continued treatment from physicians or from patent medicines of which I had taken many kinds. I was all run down and miserable, and it seemed that nothing could be done for me.

I had almost given up hope of any relief at all, but after reading what your Jamaica Rheumatic Cure had done for others, I decided to give it a trial, and taking it, I was greatly pleased to realize a benefit. I have taken four bottles, and have almost regained my former strength and weight, going from 127 pounds to 143 pounds. I am now doing my own work every day, and feel like working hard every day. I hope others suffering as I did will give Jamaica a trial. It will surely do them good.

Yours truly,  
ELIZABETH STEVENS.

### CHAS. C. RANKIN DIES IN FAR WEST

#### PASADENA, CALIF., ON FRIDAY MORNING.

Remains Will be Brought to Newark For Burial—War Veteran and Prominent Citizen.

Telegrams received Friday evening by Mrs. W. A. Sprague and Mr. E. T. Johnson, announced the death of Mr. Charles C. Rankin, which occurred Friday morning at Pasadena, Cal.

Charles C. Rankin was a native of Licking county, where he had lived practically all his life. He was born at Brownsville, on the National Pike, August 6, 1846. He was a son of the late Charles D. Rankin, a prominent citizen of that locality. In addition to his immediate family, consisting of his wife and one son Woodruff, he has two brothers, Messrs. George and William B. Rankin of Brownsville.

Mr. Rankin came to Newark about thirty-five years ago, where he has lived ever since, being engaged in the grocery business since that time up to his retirement from business about two years ago. He was married on October 28, 1885, to Miss Eliza Johnson, daughter of the late Luther Johnson, and a sister of Ernest T. Johnson, the well-known druggist of this city. One child, a son, was the fruit of this union. The bereaved wife and son were with Mr. Rankin at the time of his death.

For a year or two past the deceased had been in failing health. On the first of last November he went with his family to Colorado Springs, Colo., for the benefit of his health, as he was threatened with lung trouble. The altitude there, however, was too high, and he went to Los Angeles, Cal., and afterwards to Pasadena, Cal., where the Messenger of Death overtook him.

The remains will be brought here for interment, leaving Pasadena on Sunday, and will probably arrive here the latter part of the week.

The deceased, for many years, was one of the most active and successful business men of Newark, and by his integrity and good management had accumulated an estate of about \$50,000.

Mr. Rankin was a gallant veteran of the late civil war, enlisting in the Union army when a mere boy, and serving throughout the war with great distinction and credit to himself. In addition to other service in the army he suffered as a prisoner in Andersonville prison.

Mr. Rankin was a well-known member of the Benevolent and Protective Order of Elks, the Royal Arcanum, and the Grand Army of the Republic. Attorney Wayne Collier, who is Mr. Rankin's business agent, says that the time for holding the funeral will be announced as soon as it is known when the body will arrive here.

The news of Mr. Rankin's death will be received with sincere regret in Newark, where the deceased was one of our best-known and highly esteemed business men: a man of unusual integrity and ability, he performed the various duties of life honorably and conscientiously as a kind and loving husband, and father, a good citizen and a true and honest man.

## HUNGARIANS ARGUE OVER \$6

## UNUSUAL CASE IS HEARD IN PO- LICE COURT SATURDAY BE- FORE MAYOR.

## Famous Hungarian Attorney, G. W. Feher, is Defendant in Assault Case Saturday.

A scene was enacted in police court  
this morning which was greatly amus-  
ing to the court officials and newspa-  
per men, but which could hardly be  
termed humorous when viewed from the  
standpoint of the plaintiff and de-  
fendant.

Mrs. Lizzie Buckson, who has been  
mixed up with the officer of the I-  
before, filed an affidavit against G.  
W. Feher, charging him with assault.  
All parties concerned are Hungarians  
and speak but little English, and that  
is where the comedy presented itself  
to outsiders.

The difficulty arose over a dispute  
between Feher and the Buckson woman,  
regarding a receipt involving  
\$6, which Mrs. Buckson claims she  
paid for a Hungarian newspaper for  
which Feher, as president of the local  
Hungarian society was acting as  
agent. During the dispute it is claimed  
that Feher choked the Buckson  
woman, who retaliated by striking  
the attorney over the head with a  
beer glass. The entire tragedy was  
enacted in the saloon of Samuel  
Buckson in the West End.

Feher was fined \$1 and costs for the  
offense, but insisted that the case  
would not end with the payment of  
his fine.

### Another "Hunky" Quarrel.

Mayor Crilly was besieged this  
morning by the foreign element when  
police court was called to order being  
called upon to settle two Hungarian  
difficulties. The second case was that  
of Julio Varga against John Soodan  
in which the defendant was charged  
with assault. Julio is a minor and  
quarrelled with Soodan about a bench  
which both wanted to occupy. After  
much altercation by numerous wit-  
nesses, Mayor Crilly grasped the facts  
of the case and fined Soodan \$5 and  
costs and committed him to the  
jail.

# ACTIVITY IN NEWARK REALTY

MAPLE AVENUE TO BE EXTENDED  
TO HORN'S HILL BRIDGE  
THIS SPRING.

Houses Going Up in All Parts of New-  
ark—New Additions in East and  
West Ends.

There is marked activity in Newark  
real estate. Though prices are ad-  
vancing, many pieces of property are  
changing hands and plans are being  
made to put at least two new ad-  
ditions on the market. Much building  
will be done in several parts of New-  
ark this spring as there is a big de-  
mand for dwellings. Real estate men  
say that the outlook for a busy sea-  
son was never brighter.

Maple avenue is to be extended to  
the Horn's Hill bridge, near water  
works hill, this spring. This is the  
street upon which the street car line  
was extended last fall, the cars now  
running as far north as Channel  
street. By opening this road the dis-  
tance of perhaps three-quarters of a  
mile will be saved to those living in  
the vicinity of Horn's Hill on their  
way to the city. Another great ad-  
vantage will be the fact that the  
Horn's Hill railway crossing one of  
the most dangerous in the county, will  
be avoided. The road will be cheaply  
made as gravel in abundance is to be  
had from the creek bottom near by.

About twenty houses are now un-  
der construction in the Tallmadge ad-  
dition, North Newark.

Col. W. C. Wells, who purchased  
the interest of his partner, Wm. E.  
Miller, in the Park addition, near  
Idlewild Park, is arranging to do  
considerable building at his addition  
this spring. His fine cement block  
house is well under way. Many more  
cement walks will be laid out and the  
ground beautified in various ways.

A number who bought lots in Idle-  
wild Park addition from the Newark  
Real Estate and Improvement com-  
pany will build this spring. The  
trees that were planted last fall in  
this addition are all in good condi-  
tion.

In all probability the city council  
will accept the new addition in West  
Newark, which was recently purchased  
by ex-Congressman J. W. Cassingham  
and others. The service board visited  
the addition Friday in company with  
the new owners and looked over the  
property. The city engineer has made  
a survey of the grounds and estimated  
the cost of grading the streets and al-  
leys in the addition and the owners

propose to deposit a certified check  
covering the amount as a guarantee  
that they will proceed with their work  
of selling the property.  
The new owners propose to place  
the property on the market as early  
this spring as is possible, and they are  
anxious that the streets be graded and  
the lots numbered before this is done.  
Unless unforeseen complications  
arise, the Newark dads will accept the  
addition at Monday night's meeting.

The Palmer Brothers, who bought  
the J. B. Jones and the Mrs. Owens  
property on Granville street, just west  
of the Baptist church, are con-  
templating the erection of two double  
houses.

A new addition is to be laid out in  
East Newark near the Children's  
Home, as soon as the weather will  
permit.

Rees R. Jones has sold during the  
past few days several valuable farms  
in the vicinity of Newark. A por-  
tion of the Samuel Stewart estate, a  
valuable farm property, north of the  
city, has been purchased by Robert  
Jones.

Charles Reed has purchased  
through Mr. Jones, a farm known as  
the Hollar place. This property is al-  
so located north of Newark. Edward  
Claggett has purchased the Judge  
Keller farm, Mr. Jones acting as  
agent in the deal.

## EIGHTEEN YEARS

Newark Woman's Brother Has Been  
Missing—The Police Will Help  
Find Him.

Mrs. Jennie Richards of 112 Walnut  
street, has asked Chief of Police Con-  
nors of the Columbus police depart-  
ment, to locate her brother, John J.  
Greys, who, she thinks, lives in the  
Capital city.

Mrs. Richards states that she has  
searched for her brother for many  
years, and has not seen him since 18  
years ago. The Columbus officers will  
make an effort to locate the missing  
man.

# TOWNSHIP CLERK BEENEEY MISSING HIS ACCOUNTS REPORTED SHORT

Trustees at Vanatta Now Engaged in Examining Books  
and Bondsmen are Endeavoring to Find Location of  
Young Man Who Has Left Newton Township.

Edward Beeneey, township clerk in  
Newton township, is missing and an  
examination is now being made of his  
accounts which are said to be short  
to the extent of several hundred dol-  
lars.

Mr. Beeneey, who is the son of Rich-  
ard Beeneey, has lived about two miles  
east of the village of Vanatta. He is  
about 25 years of age, and has been  
clerk of Newton township for seven-  
teen months, having been appointed to  
succeed Mr. S. C. Slater, resigned.

Edw. Weaver and Calvin Nethers are  
on Beeneey's bonds for \$500 and they  
are endeavoring to ascertain the  
young man's whereabouts. Beeneey  
has been absent from home about one

week. No affidavit has as yet been  
filed against Beeneey.

A special dispatch to The Advocate  
from Vanatta Saturday, says that sus-  
picion was first aroused when Mr. B.  
M. Horton, as supervisor, presented a  
bill for \$32, which had been paid. Mr.  
Horton testified that he had not signed  
the receipt for the money and at once  
Charles Hoover and Mr. Frost began  
an examination of the books with the  
assistance of Mr. H. S. Hankinson,  
clerk of the school board.

The investigation of the accounts  
was commenced on Friday and will  
not be finished before Tuesday. It is  
said that the alleged shortage so far  
amounts to about \$200.

Offers to Build Hospital  
Mr. T. O. Donovan, President of Newark Trust Company,  
Makes a Generous Proposition to the City—Mayor  
to Submit the Matter to City Council.

The Advocate is authorized to an-  
nounce to the public a movement  
looking toward the establishment of a  
permanent hospital in Newark.  
Mr. T. O. Donovan, one of Newark's  
most prominent and substantial citi-  
zens has made a proposition to May-  
or A. J. Connelley, to be submitted to the  
city council, for the immediate estab-  
lishment of such a hospital. His pro-  
position is that the city donate a

## ARTHUR C. HATCH

Quits Newspaper Work to Accept a  
Prominent Place at the Wehrle  
Stove Foundry.

On Saturday, March 25, Mr. Arthur  
C. Hatch will sever his connection  
with The American-Tribune, and one  
week later he will become private sec-  
retary to Mr. Wm. W. Wehrle and of-  
fice manager for the Wehrle Stove  
company, at a handsome increase in  
salary.

Mr. Hatch has long been identified  
with the newspaper business in New-  
ark, having come here from New  
England in 1887, to go into the office  
of the old Newark American, at that  
time published by Lyon & Ickes. In  
March, 1898, The American and Tri-  
bune were consolidated and soon Mr.  
Hatch was connected with the paper  
with which he has remained ever  
since, first as manager, under Mr. B.  
G. Dawes, and afterwards as business  
manager for the present publisher,  
Mr. A. C. Dickinson, who took charge  
of the property on Christmas day,  
1899.

Mr. Hatch has always been identified  
with the "business end" of the news-  
paper and in that capacity he has  
shown marked ability. Courteous, cap-  
able and industrious, he has made his  
work count and it is with regret  
among his old associates that he  
quits the newspaper field. Mr.  
Wehrle gets a good man.  
The name of Mr. Hatch's successor  
at The American-Tribune office is not  
as yet announced.

# CONSUMPTION IN THE FIRST STAGES CAN BE CURED

A Pretty Matron Threatened With Consumption  
Saved By Pe-ru-na.

Miss Amelia Weymer.

Hundreds Have Been Cured of  
Incipient Consumption by  
Pe-ru-na.

The Following Letter From a  
Thankful Woman Tells Its  
Own Story.

Miss Margaret Fahey, 49 Adams St.,  
Troy, N.Y., writes: "We have used Pe-  
ru-na in our family for years and am  
very pleased to say that it cured me of  
catarrh of the lungs when the doctors  
gave up all hope of my recovery."

"I used Peru-na for six months and at  
the end of that time my cough had dis-  
appeared, my appetite was much better,  
I had gained ten pounds and  
looked the picture of health. I am  
in perfect health, now, and feel that  
Peru-na not only cures catarrh, but  
builds up the system and is therefore  
a grand medicine."—Margaret Fahey.

Peru-na cures the first stages of con-  
sumption by removing the cause, which  
is chronic catarrh. The catarrh having  
been cured the cough and other dis-  
agreeable symptoms cease.

Doctors Gave Him Up.  
Mr. Lewis Kitchen, 214 North street,  
Cincinnati, Ohio, writes: "I cannot  
thank you enough for the good your

Peru-na has done me. About six months  
ago I could not leave my bed and the  
doctors gave me up, saying that I had  
consumption and could not live. Then  
a friend recommended Peru-na to me,  
and I commenced using it.  
"When I started to use Peru-na I  
weighed 117 pounds, now I weigh 172  
pounds. I had been sick for ten years and  
was so sick that I could not turn over in  
bed. I think Peru-na is the greatest med-  
icine of its time. I am now feeling well  
and hearty and would not be without  
Peru-na again."—Lewis Kitchen.

Mrs. Bertha Southworth, Laurens, Ia., Treasurer  
W. C. T. U., and President Christian Workers of  
Laurens Christian Church, writes:  
"I was a sufferer from catarrh of the lungs for  
years and my health was in such a state that we  
were all very much alarmed over it. I always had  
a little cough and the slightest cold would settle on  
my lungs and cause distress in breathing. I had  
night sweats, and a pain in my side continually.  
I was greatly reduced in flesh, was very  
feeble and had no appetite whatever. After trying  
many doctors and medicines, I finally took the ad-  
vice of a friend and bought a bottle of Peru-na.  
My delight was great when I found I was im-  
proving before the first bottle was taken. I used  
several more bottles and am now perfectly well,  
and have regained my weight and appetite. I am  
glad to say a good word for your medicine."—  
Bertha Southworth.

## CATARRH CAUSES CONSUMPTION

Pe-ru-na Never Fails to Cure Catarrh  
Wherever Located.

THE medical profession has so thor-  
oughly prejudiced the minds of the  
people against patent medicines that it  
is with great reluctance that anyone  
can be persuaded to try such a remedy  
at first.

In nearly every one of the thousands  
of remarkable cures that Peru-na has  
made the patients had to be persuaded  
by friends very strongly before they  
could lay aside their prejudice against it.

A large multitude, of course, hold out  
against the persuasions of friends and  
die simply because they have allowed  
their minds to be poisoned against this  
very excellent remedy.

But, fortunately, there is another large  
multitude of people who are able to  
shake off their prejudice and try Peru-na  
before it is too late. These people are  
rarely disappointed. They generally try  
other remedies at the beginning of their  
troubles. They allow a cold to de-  
velop into catarrh of the head. They  
allow catarrh of the head to gradually  
become catarrh of the throat.

They still use the doctor's medicine or  
some other ineffectual remedy. The  
catarrh stealthily spreads down the  
bronchial tubes and reaches the lungs.

Then they become alarmed. Faith  
in the doctor begins to disappear. The  
patient reaches a state of mind in  
which he is willing to try almost any-  
thing. A bottle of Peru-na is sent for.

The first week it produces a decided  
change for the better. A few weeks'  
continued treatment cures the patient.

## Thousands of Testimonials.

We have on file thousands of testi-  
monials from people whom the doctors  
had given up to die with catarrh of the  
lungs, but who were fully restored to  
health by the use of Peru-na.

The Hartman Sanitarium, Columbus,  
Ohio. All correspondence held strictly  
confidential.

## Are You Engaged?

Engaged people should remember  
that after marriage many quarrels can  
be avoided, by keeping their digestions  
in good condition with Electric Bitters.  
S. A. Brown, of Bennettsville, S. C.,  
says: "For years my wife suffered in-  
tensely from dyspepsia, complicated  
with a torpid liver, until she lost her  
strength and vigor, and became a mere  
wreck of her former self. Then she  
tried Electric Bitters, which helped  
her at once, and finally made her en-  
tirely well. She is now strong and  
healthy." Hall's drug store, sells and  
guarantees them, at 50c bottle.

## BLADENSBURG OIL

Find at the Hall Well Creates Activity in the Field, Being the Third Good Well Drilled In.

A report from Bladensburg states that the Hall oil well, which was shot Wednesday morning, has filled to within one hundred feet of the top. It is said that the oil is still rising and will soon be flowing.

The find creates additional activity in the field, being the third good well drilled in. The 800 barrel tank and the three smaller ones at the McKee well have been pumped full.

Pipe lines will now be built to carry the oil to some railroad point where it can be shipped.

## DRUNKENNESS A TERRIBLE AFFLICTION

The world's greatest physicians agree that drunkenness is a disease and must be treated as such. It is not necessary to incur the publicity and expense of attending a sanitarium, but the disease of drunkenness can be cured right in the home by Orrine. This great remedy is put up by a chemist, who, after many years of constant labor and research, combined the necessary ingredients that positively conquer the craving for liquor.

Orrine is put up in two forms. No. 1 (powder) can be given secretly in tea, coffee or food, without the patient's knowledge, as it is tasteless, odorless and colorless. Orrine No. 2 is put up in pill form, for the voluntary treatment from the grasp of alcoholic stimulants; this is in a convenient form to carry in the vest pocket. Either form costs \$1 per package.

Many cases in this city have been completely cured with four boxes of Orrine. Think of this little cost compared with the enormous price of a treatment at a sanitarium. The Orrine Company, Inc., Washington, D. C., guarantees to cure the craving for drink, or refund every cent paid for it. Write to them for a free book on "Drunkenness" mailed in plain envelope.

We are sole agents for this city, and heartily recommend Orrine. F. D. Hall, N. Side Square, Newark, O.

## MORTGAGES.

A lot of you readers have mortgages on your homes. Seems like it's about all you can do to pay the interest on it. If you, a big, strong man, can't raise that mortgage, will you tell us how your widow is going to do it? Focusing your children will keep her fully entertained, and if you don't provide the means of raising the mortgage, the sheriff will raise the mortgage from the heads of your dependent ones. This isn't sentiment—this is a brutal fact. A policy in the Equitable Life of New York will raise both the mortgage and the children, and it costs very little, too. You don't have to die to win; if you live to an old age, the cash value of the policy, which will be a large sum, may be drawn by you and used for your own support.

O. M. TUCKER, J. R. TUCKER, Agents for The Strongest Company in the World.

Mrs. Belle Hartley left today on a business trip through West Virginia, where she has interests in oil lands. Mrs. Hartley will visit her daughter Mrs. Chas. E. Funk, who resides in Harrisburg, Pa., and other Eastern cities before returning home. Mrs. Hartley expects to remain away from home two or three months.

## A Wonderful Cure.

Bedridden Six Months, I Am Now Doing My Own Housework.

About 15 years ago I was all run down with nervous prostration and palpitation of the heart (after getting black in the face and thought to be dying, I was taken to a hospital where I was kept for 140 days, and from that time on I was unable to do any work. I was reduced to 110 pounds, and for six months I was confined to my bed. A relative of mine who had been troubled with similar weakness and nervous prostration and had been cured by Thompson's Barosma, recommended it to me. I began to use it, and not only cured of nervous prostration and palpitation of the heart, but began to gain weight until in a short time I weighed 150 pounds, and from that time on I have been perfectly well, doing my own housework. Mrs. E. J. Blount, Tulsa, Okla., writes: "I have used Thompson's Barosma, and I can say it is a wonderful cure for nervous prostration and palpitation of the heart." Price, \$1.00.

ACKNOWLEDGE IT. Newark Has to Bow to the Inevitable. Scores of Citizens Prove It.

After the reader has read the public statement of this representative citizen of Newark given below, he must fairly, squarely and honestly come to this conclusion: A remedy which cured years ago, which has kept the party in good health since, can be relied upon to perform the same work under similar circumstances. Read this:

Charles W. Manville, carpenter, of 34 South 14th St., Newark, N. J., says: "I have found Doan's Kidney Pills to be all that they are claimed to be. They cured me of a bad case of backache and inaction of the kidneys brought on by the grip. I was laid up for some time. My kidneys seemed to be sluggish and the secretions were irregular. At the same time I suffered terribly with pain in the back over the kidneys. There was a constant, dull aching varied with sharp twinges of pain that would strike me at all hours of the day and night. I tried different remedies without effect and had nearly given up hope when I began using Doan's Kidney Pills, bought at Crayton's drug store. The result was a cure and a decidedly lasting one. In 1896 I told of my case in a public statement and now that eight years have passed I can point to my own experience and say that Doan's Kidney Pills make permanent cures."

#### New Method of Issuing Pay Checks—Officials in Newark—Soldiers' Special—Paragraphs.

Fully seventy-five men are off duty now, and are confined to their homes, suffering from more or less severe cases of illness. Grip and influenza are the popular diseases, while a very few are suffering from typhoid and malarial fevers. Many employees are at home, nursing minor injuries and will soon be able to resume their duties.

If there is the slightest doubt in the minds of any that Dandruff germs do not exist, their belief is compelled by the fact that a rabbit inoculated with the germs became bald in six weeks' time. It must be apparent to any person therefore that the only prevention of baldness is the destruction of the germ which acts so successfully accomplished in one hundred per cent. of cases by the application of Newbro's Herpicide.

## AL LINDERBECK

Will Not Play With Newark This Season

HE WILL GO TO FT. WAYNE

Sensational Player Refuses to Sign Snodgrass' Contract--Local and General Sporting News.

Al Linderbeck, the star outfielder, whose services were at a premium last year and who was sought by Manager Snodgrass for this season's Idlewilds, will not wear a local uniform this year in spite of contrary statements made last night in a Newark paper.

Linderbeck's terms were accepted by the playing manager, Snodgrass, and a contract was sent to him for his signature. The blank was returned last night without Linderbeck's, the desired name, attached.

Linderbeck stated in the accompanying letter that he had received an offer of more money from Ft. Wayne, of the Central League, and that he had already forwarded his contract to that city.

Newark fans will regret to lose this man as he is no doubt, a player of unusual ability.

## DENISON LOST

Granville Boys Defeated by Otterbein in Game Played at Westerville Friday Afternoon.

Westerville, O., March 18--Otterbein closed its basketball season by a game with Denison yesterday afternoon.

Two of Otterbein's regular men were out of the game, but the subs seemed to play just as well as the old men. The final score was 48 to 26 in favor of Otterbein. Pammet and Shoop did the best work for Denison, while Kring almost won the game himself by throwing 24 fouls out of 28. He also threw five goals from the field. ## NEW UNIFORMS

Are Wanted by High School Baseball Team--Matter Will Be Decided in the Near Future.

The all-absorbing problem which is being faced by the High School Athletic association is "what will the team do for suits this year?" Last season the Y. M. C. A. allowed the team to use the association uniforms, but the high school boys want to own their own baseball suits this year.

It has been suggested that the school purchase suits from the athletic association treasury. The exchequer is in fairly good condition, Managor Blood of the football team left a neat balance in the treasury from the season on the gridiron and the basketball season is steadily adding to the fund.

However, if the suits were purchased and the baseball season would prove a losing venture rather than a money making one, the athletic association would be left with a debt to be liquidated next fall by the football squad. In any event the matter will be decided within a short time.

## NEWARK HIGH

**BASEBALL SCHEDULE.**

Manager Nehls will, within a few days, complete the baseball schedule for the high school team. Three open dates remain to be filled, but the manager is corresponding with several schools and these will be filled within a short time.

## MISS HIRSCHBERG

Assisted by Mr. Judson and Mr. Legler in Recital at High School Chapel on March 22.

Miss Elsie Hirschberg, who is well and favorably known as a vocalist to Newark audiences, will give a recital at the High school chapel next Wednesday evening at 8 o'clock. She will be assisted by Mr. A. H. Judson, violinist, and Mr. Ellis B. Legler, baritone, of Denison university.

Miss Hirschberg will shortly graduate in voice at the Denison Conservatory of Music, and this recital will be in the nature of a farewell musicale before going abroad for further study. It was a happy thought to make the old chapel the scene of this brilliant affair, as it was here that Miss Hirschberg first appeared as a school girl soloist in the first of Prof. Yeardley's series of High school recitals, on that occasion singing the beautiful recitative and aria, "But the Lord is Mindful of His Own," from Mendelssohn's "St. Paul."

A part of the proceeds will go to the High school library fund, and the recital should be well attended by music lovers generally.

## MUCH ENJOYED

WAS ENTERTAINMENT FRIDAY  
NIGHT AT AUDITORIUM.

Eloquent Address by Fr. Mulhane Followed by a Religious Drama, Heart of a Hero.

Many and generous are the expressions of praise over the entertainment given in the Auditorium Friday night under the auspices of the Ancient Order of Hibernians, and the Catholic Literary and Social Club, under the direction of Mr. F. L. Garrity.

All who attended unite in saying the play was one of the very best amateur productions given in this city. Every member of the cast took a deep and lively interest therein and instead of stuttering over their lines as is the case in many amateur productions, and going through a lot of barnstorming, they acted in a manner far exceeding many professional renditions.

This is characteristic of all of Mr. Garrity's productions. Every attention is given to detail and that minuteness necessary for a finished rendition is carefully studied and developed.

Miss Anna Riegger in the leading female role, showed her ability remarkably. Mention should be made of Miss Blanche Frost, whose first appearance on this occasion demonstrated her talent. Miss Alma Mueller and Catherine Shaughnessy were also very pleasing. The gentlemen were chosen for parts well suited to them and acquitted themselves in a very able manner.

Mr. F. L. Garrity in the leading and very difficult role of "Squire Westover," won new laurels. It is pleasing to note that Mr. Garrity intends to further favor our people with high-class productions in the future.

Mr. Anthony Stare made a typical farmer. Daniel Gaine, an amiable and noble-hearted hero. Messrs. Herman Gundlach and John Garrity displayed musical talents for beginners. Of the lecture, by Father L. W. Mulhane, nothing additional need be said here to add fame to that already won by this eloquent orator. He is certainly one of our best pulpit and platform speakers.

Great credit is due to those having charge of the entertainment and praise also to Wm. Downey for the excellent vocal solo, and to the orchestra for the beautiful instrumental numbers, and appropriate dramatic music.

The animal began plunging and jumping, threatening to overturn the buggy at any moment, when Andy

Newsom, who chanced to be passing by, sprang to the rescue and succeeded in controlling the animal and preventing what might have been a serious accident.

Children on Street at Night. Zanesville, O., March 18—Many Zanesville people are asking why the Curfew law is not being enforced.
